...

Objective

1. Learn about Job Shadows
2. Complete Naviance Career Cluster - The Career Clusters are a way of grouping careers with common features and skills. Careers grouped into the same cluster typically require similar education training. Career Clusters can also help you better understand how your coursework in school can prepare you for certain careers.
3. Complete Career Related Learning Experience Request

What you should know:

- A CRLE (Career Related Learning Experience) may be one of the following:

- To help you generate ideas for what type of job shadow you would like to do, it's important to complete the Naviance Career Cluster Activity
- It's important that if you sign up for an event, you attend the event. In rare cases should you cancel. If you do cancel, you should give advanced notice.
